PORT OUT, STARBOARD HOME!

The action takes place on a cruise ship as it sails across the Aegean sea to Thessalonica. Miriam hopes that taking her son Stewart on a cruise will help him find Miss Right. It's about time he found a wife and his mum knows best. Jackie's on the cruise for her health, though she's actually only sick of her husband, and Amanda's a washed up actress, taking any job going. In the meantime Wayne and Alexandro are doing their best to keep the hapless passengers entertained with Greek cuisine, gurning competitions, limbo and karaoke. It's Butlins on a POSH boat!
